A committee was organized with the initial primary goal of getting the word out to the Central Pennsylvania community that the Traditional Latin Mass was here!

Over the past two months of November & December 2008, advertisements have been placed in area newspapers.

Additionally, in the future, ideas and plans will be developed to get involved in the communities with various outreach programs.

The committee meets on a regular basis (on a predetermined Sunday after the 10:00am Mass), and is looking for additional members, ideas, and support to help spread the word of the beauty and solemnity of the Traditional Latin Mass.
